**New Business:**

**Gazebo Events:**

We are doing events and concessions 7-9 on Friday, July 14<sup>th</sup>. We will be performing a preview of Oklahoma!, and some songs from DCP's past. They will provide outlets, but no lights/sounds/etc. A form will be put on the website for suggestions – we should stick to smaller ensembles/solo songs rather than big involved scenes.

**Memorial Day Parade:**

Monday, May 29<sup>th</sup>. Shopping cart brigade.

**Jesus Christ Superstar (Brendan's Proposal):**

Brendan would like to propose directing Jesus Christ Superstar for April 5, 6, 7, 12, 13, and 14 of 2007. Assuming Copeland. Jason is onboard for being a producer. Brendan has some leads for music director/choreographer. Brendan has been talking to R&H about rights. More original 70's sound rather than the newest hard rock (?) version. It would be a big show earlier than normal – would still allow for a summer show (maybe smaller than normal). Brendan will gather more information, and stabilize some positions, and bring it back for next meeting.

**Old Business:**

**Oklahoma/25<sup>th</sup> Anniversary Spectacular!:**

25<sup>th</sup> anniversary t-shirts – Bridgit/Tom to send Jenna the design. Brendan and Doug met with Jill Quagliata (music director) – it was a very good meeting, lots of excitement/energy. Leo, Ian, Brendan, Greg, Jenna, and Doug took a tour of the CPA, the designers are excited about the space. We have 17 volunteers for the orchestra, at least one for all of the instruments. Proposed budget is presented – we should change Orchestra to Orchestra/Music Direction and reduced to \$1000 (put \$500 towards honorariums), the rights will be higher. Budget was approved with the previous changes and clarifications to the rights. Ticket prices are \$15 at the door (\$10 for 12 and under plus “fighting” seniors), and \$10 in advance (on-line or at Library/wherever). Use St. Joe's festival this year (the weekend before). Mike Szymanski posted in the forums about getting people in the area from the previous shows to participate. Bob Turck wants to get involved by getting all of the “old” people from DCP. Brendan is going to do something.
